*All CSF follow a policy of continuous development and, consequently we reserve the right to change materials, specifications and designs at any time. It is essential, therefore, to check all relevant details prior to order.*

*Designs in this brochure are the copyright or design right of Classic Stone Fireplaces Limited.*

*All of our fireplaces are made from natural marble and stone. Each fireplace will have slight variations in colour, texture and setting.*

*All of our fireplaces can be used in conjunction with any type of heating appliance, subject to adherence to the relevant safety standards and ensuring that the fireplace is protected from excessive heat and expansion.*

*Every effort has been made to ensure that the colours in this brochure are a true representation of the fireplaces under the rubrics of the printing process.*
